Profile

I plan, design, shoot and post content for brands and communities, online and offline, and I report on what worked and what didn’t.

Focus	Social media management, campaign and content planning, community management, communications and design
Platforms	Instagram, X, Facebook and TikTok
Approach	Trend-led, locally relevant content with native-sounding copy, and weekly reports on results
Formats	Posters and carousels, short video and photography
Education	Public Relations and Advertising, University of Port Harcourt
Availability	Remote, available worldwide

Experience

Brands and communities I've worked with.

Gentlyripplingwaves Foundation	**Community manager**	Two years as first point of contact for a growing community, online and offline, with clear updates and simple documentation. Hosted a tech webinar and an online class, and ran writing and tech events including Techspring.
The Good, Bad and Professional	**Social media manager and content planner**	Trend-led content planning for Instagram and X, aimed at a community of Nigerian corporate professionals. One reel reached 20.8K views.
FreshX Services	**Content creator and social media manager**	Daily posting, DM replies and weekly reports across Instagram, Facebook and TikTok for a laundry and cleaning service in Port Harcourt. Instagram views grew 354.3% in 30 days.
Ibibooknest	**Social media manager and content planner**	Instagram for an online bookstore.
PlayPlethora	**Content creator**	Content projects and brief Instagram management for a fashion brand.
FIM Royal Hotels	**Hotel receptionist**	Front desk and guest communication.

Tech skills and remote job boot camp	Tech Legacy Academy

Beyond work

The personal side of this portfolio.

Photography

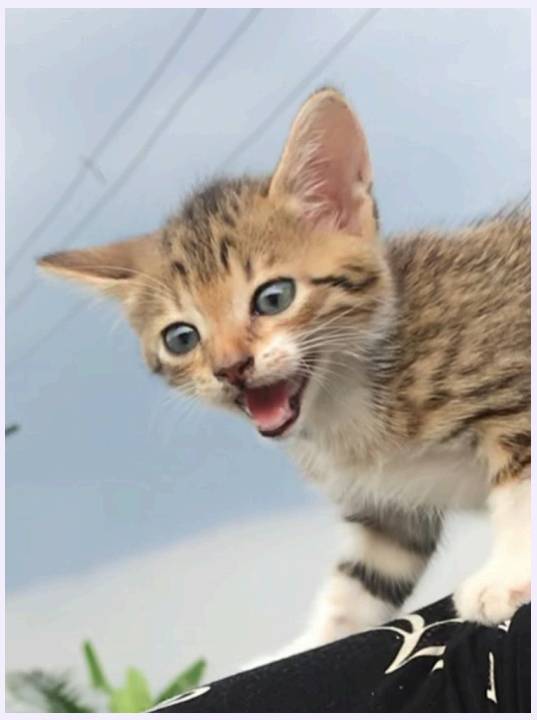

I love taking pictures, and what I enjoy most is bringing out the beauty in ordinary things: a street lamp against the sky, a pepper plant, rain landing on water. These are some of my favourites.

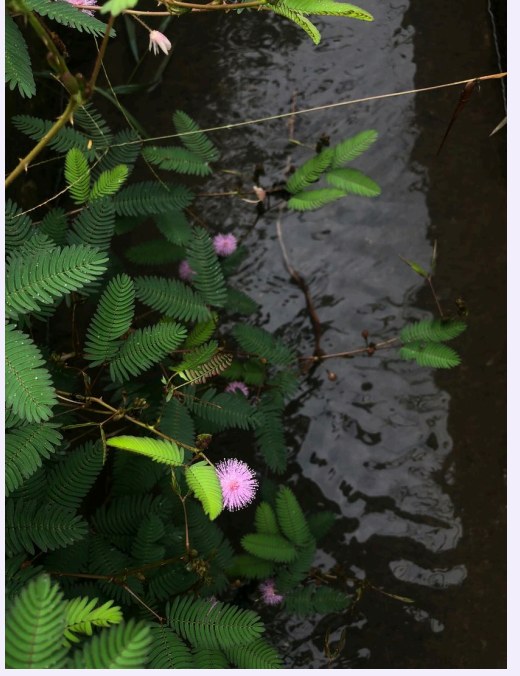

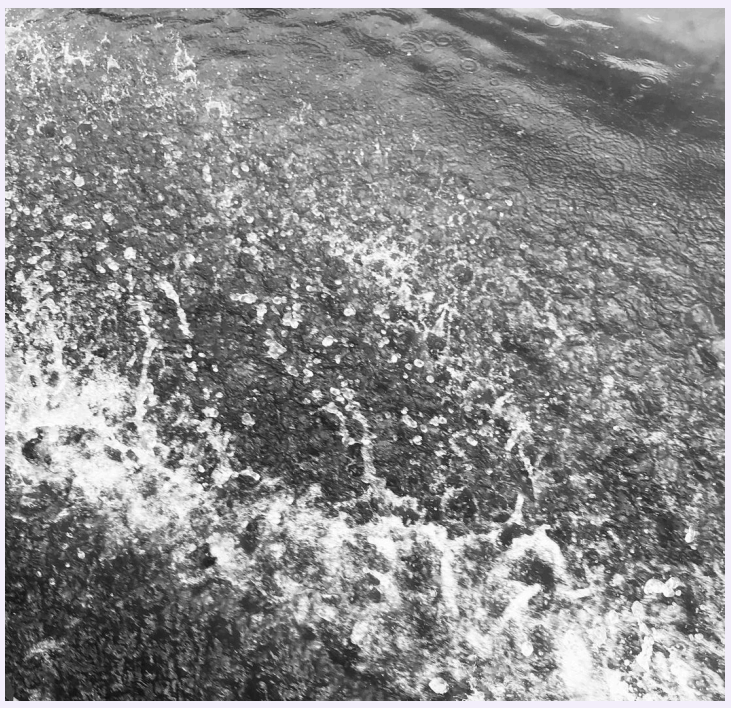

Let's work together

Open to new roles and projects in social media, content, communications and design.
